Easter Day. 31st March 2024

The weather has been so poor in the lead up to this weekend and it may be hard to realise that Easter has arrived. Christians throughout the world celebrate the greatest feast in Christendom from Holy Thursday to Easter Sunday. We celebrate Christ our Light, Risen from the dead, He who is the promise of eternal life of all people.

What might your prayer be for Easter. We are all praying for good weather so that crops can be sown and stock let out on the land. But beyond the immediate, what do we pray for as we celebrate Christ Risen from the Dead. My prayer is that I allow myself to discover the great gifts that God has given to me this Easter. To be able to celebrate new life, to have hope, to discover God in the present moments of my life. I, like St Brigid's prayer: *'Bless every fireside, every wall and door. Bless every heart that beats beneath its roof. Bless every hand that toils to bring its joy.'* - that God will bless each one of us with goodness, with health and to be able to deal with whatever life might throw at us.

Happy Easter
